

South Seattle Haz-Site

8105 Fifth Ave. South, Seattle
(South of the First Avenue South Bridge)

9:30 AM to 4:30 PM

Open Thursday, Friday, Saturday

Closed July 4th, Thanksgiving Day, Christmas
Day and New Years Day

HOUSEHOLD HAZARDS LINE

206-296-4692

Call for details on acceptable materials and
locations for household hazardous materials or
visit www.govlink.org/hazwaste/house/disposal/.

Latex paint is no longer considered hazardous
waste and the household hazardous waste
facilities in Seattle and King County no longer
accept it. Residents who cannot use latex paint
should dry it out with kitty litter and put it in the
garbage with the lid off. Visit the King County
website www.kingcounty.gov/dnrp/swd for more
information on how to dry out latex paint. There
is a 50 gallon limit and a gasoline limit of 30
gallons per customer per day and customers will
not get their containers back. No containers can
be over five gallons in size.

Bring:

Oil-Based Paint
Adhesives & Glues
Mercury Products
Pesticides
Cleaning Products
5-gal Propane Tanks
Hobby Chemicals
Road Flares
Thinners & Solvents
Fluorescent Lamps
(limit 10)

Don't Bring:

Latex paint
Electronics
Cell phones
Explosives
Medical wastes

E-Cycle Washington

Washington now has a FREE recycling
program called "E-Cycle Washington" for
computers, computer monitors, laptops, and
televisions. Call **1-800-RECYCLE** or visit
1800recycle.wa.gov to find authorized
E-Cycle Washington collection locations.

In the SeaTac area you may drop off
computers, computer monitors, laptops, and
televisions at no charge at most Goodwill,
Salvation Army, and St. Vincent de Paul
stores. Please note – drop off locations and
conditions may change. Computer peripherals
such as keyboards, mice, and printers are not
included in this program but will be accepted
at SeaTac's Recycling Collection Events.

Why recycle electronics?

Many electronics, especially TVs and
computers, contain toxic materials such as
lead, cadmium and mercury. Reusing and
recycling electronics keeps these toxic
materials out of our landfills and incinerators
and also recovers valuable resources.

The electronic equipment that the E-Cycle
Washington program collects will be taken
apart and separated into materials such as
glass, plastic, metal and toxic chemicals. All
recycling will follow performance standards
set up by the Department of Ecology.
